

1st Hampton Hill Beaver Scouts Walk in Bushy Park

Hi all,

The Beaver Scouts spent the Saturday morning on 21st May on a walk through Bushy Park. Starting at the Pheasantry Cafe, we walked through the Woodland Gardens, across Brick Bridge, Along Lime Avenue, past the Diana Fountain and into the Play area.

It took us about 90mins and was enjoyed by all. Along the route, the Leadership team had set up a small amount of map reading challenges, along with treasure hunt type clues to get to the next area and an 'I Spy' challenge.

The Beavers were able to see, touch and smell nature as we progressed through the walk. Examples included seeing deer, smelling honeysuckle and feeding the ducks.

There are a couple of pictures below, but for more, please click on the link below:
