

cubs

On Saturday 11th June we took eight of our Beavers and one of our Cubs, by coach, to Walton Firs Activity Centre to take part in Cubeaver Jambo 2011.

This was a very big, fun packed, all day County event.

They all took advantage of the great many activities on offer and also some arena events.

With the huge site split up into different 'Villages' they were all able to take part in activities from 'Bungee Running' to Pillow Fight Jousting to a Fight Jet Simulator to cooking their own snacks over an open fire.

Lunch time offered the opportunity for all of us to watch a Falconry Display and at the end of the day we all returned home tired but happy after such a busy and enjoyable day.

I have added some photos below, but for more, please take a look at our photos section via the link below!
